# **GOLF PACKAGE**

## **CABOPINO GOLF**

Cabopino Golf is located at the eastern end of Marbella in front of the Cabopino marina

It has a (18 holes) course of 5170 meters Par-71 designed by the architect Juan Ligués Creus and has spectacular views of the Mediterranean, as well as beautiful vegetation with magnificent wide-bristle pines.

The layout has three pairs 3, two pairs 5 and thirteen pairs 4.

The longest hole is 14, a par 5 of 456 meters with a wide and wavy garden protected in front and behind by two lakes.

Cabopino is a field in which both high handicaps and more experienced players can enjoy. The field also has a Golf School located at the field entrance.

The golf course has a putting green of 600m<sup>2</sup>, club house with restaurant, cafetería and shop.

GOLF PACKAGE  
**EL CHAPARRAL GOLF CLUB**

Since its reopening, El Chaparral Golf Club has become one of the most attractive golf courses in Costa del Sol. This is due to the commitment and tenacity of Mr. Antonio Rubio and his family business to position El Chaparral Golf Club as one of the preferred fields of golf in the area.

With an original design by Pepe Gancedo, it is the only course in Costa del Sol with 6 par 3, 6 par 4 and 6 par 5. With a length of 6,000 meters long, it has a great variety of holes and is quite demanding, requiring great precision and skill.

It is easily accessible, only steps away from the coastal highway N- 340 and located in the Golf Valley of Mijas area, a preferred destination for golfers from all over the world.

From the moment you step in the club, you'll enjoy exceptional service and amenities: 90% of parking with wood roofing, immediate welcome and service at the pro-shop from specialized staff, and very welcoming and superbly decorated changing rooms.

The success of El Chaparral Golf Club has been guaranteed by the uniqueness of its environment, infrastructure, quality of service and good value. You can enjoy a unique setting from every hole.

We also have a practice field built in wood, with two floors and capacity for 32 players. There is a practice green of 1000m<sup>2</sup> and bunker exits available.

Spectacular is the term that many use to define the El Chaparral experience, in a field capable of hosting any type of competition at the highest level, amateur or professional.

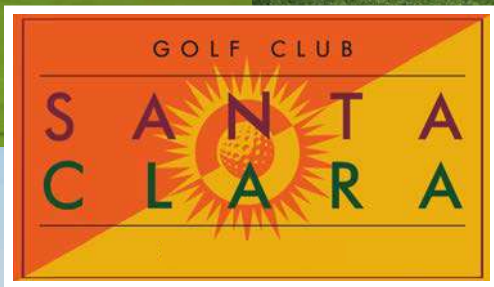

GOLF PACKAGE  
**MARBELLA GOLF COUNTRY CLUB**

Designed by the legendary Robert Trent Jones Senior, and located just 5 minutes drive from Vime Reserva de Marbella, Marbella Golf Country Club provides one of the best and most challenging golfing experiences on the Costa Del Sol.

The facilities the magnificent Club House offers are a conference rooms, Pro-shop stocking all of the latest clothing ranges, a golf academy with an excellent putting green and three tennis courts. The surrounding hills, olive groves and magnificent sea views from our two shaded terraces provide a breathtaking backdrop for the Club Golf House's .

The golf course was opened in 1994 and occupies one of the most extensive green areas of the Costa del Sol. The 6,000 meters long of its 18 holes par 72, have been designed with imagination to respect the natural heritage of the land they occupy .

GOLF PACKAGE  
**SANTA CLARA GOLF**

18-hole golf course, par 71, designed by Enrique Canales Busquets, located a few minutes from the city center.

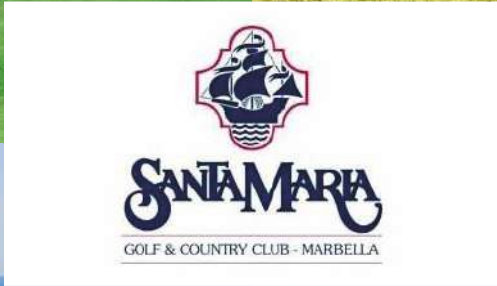

It's one of the most outstanding golf courses in Costa del Sol, respecting a natural environment of native fauna and flora, with spectacular views over the Mediterranean.

Along its route, par 71 of 5878 meters, you'll be able to enjoy a stimulating and unforgettable route.

The most noteworthy holes of the route are those that make up the so-called "Amen Corner", holes 12, 13 and 14: The 12th hole is a 400-meter downhill four-footer, in which you can see the bay of Estepona and Gibraltar from the tee. It's high-competition hole, in which the wind greatly influences the result and game. The 13th hole is a par three of 182 meters, well protected by a lake located in front of the green. The 14th hole is a par five of 524 meters, handicap 7. It's a very long hole, preferred by the professionals who play the circuit.

The driving range is one of the best in Marbella. It has two independent tees with 15 posts each.

The club house offers beautiful views of the Mediterranean Sea with a large terrace, providing services that cover all need for customers.

GOLF PACKAGE  
**SANTA MARÍA GOLF**

18-hole golf course located next to a delightful pine and oak forest.

The first 9 holes were designed by Antonio Garcia Garrido.

The second 9 holes, inaugurated in November 1996, were designed by the club's technical team.

Considered by experienced players and beginners, as one of the best golf courses in Marbella

The course offers players a challenging game in an environment with views of the Mediterranean Sea and mountains covered with holm oaks. The Casa Club building stands out, an impressive Spanish two-floor farmhouse from the 19th century, surrounded by extensive gardens.

## RECEPTION

24 hour reception will provide continuous customer service and tourist information of the area and the management of any type of service you might need during your stay. Dialing 9 on the room phone will get you to the reception and any request will be answered. The reception team has extensive experience, will be delighted to welcome and greet you with a warm and personalized familiar service in different languages, Spanish, English, French .etc.

## POOLS

Three pools to enjoy, with lifeguard service. One of the pools is exclusively for children use, and ensures that the little ones can enjoy bathing in a secure manner. The other pool is for adult use. Surrounded by gardens and manicured lawns between vegetation and trees so that our guests can relax and sunbathe in a fresh and natural environment. Free service of umbrellas, hammocks in addition to our Balinese beds with drink packages that will surely be to your liking. Pool towels are also provided for your convenience. Drinks and snacks are offered all throughout the opening hours of the pool. The third, heated pool with an enjoyable 28celsius temperature pool along with a jacuzzi and sauna for your enjoyment after a great day of sightseeing or work.

## GYM

Vime Reserve de Marbella has a gym where you can train and stay fit during your stay , equipped with treadmills, static bikes, ellipticals, free weights and bodybuilding machines. Enjoy spectacular views of the gardens and pools while you get fit. In addition, the Resort has a sauna to relax and eliminate toxins after training. For those clients who wish to enjoy a massage, this service can be arranged by our staff at the reception upon request.

## BUFFET RESTAURANT

The buffet restaurant is located on the ground floor of the central building, with a modern, airy decor that allows natural light to enter. It offers a wide variety of cooked dishes, hot and cold, as well as a delicious assortment of desserts. Guests have the option themselves to make any combination they want. If they wish to just have breakfast or just dinner. Or simply add both to our half board package.

## FONTANELLA BAR & SNACKS

Overlooking gardens and the pool, with convenient and extended opening hours. A perfect place to either enjoy your breakfast on the large terrace or order some lunch from the 6 la carte menu. The Fontanella is also the place where you can enjoy your drinks, coffee, ice cream, smoothies and snacks. Don't miss our great cocktail menu. From here we serve clients on the terrace, by the pool, inside in our dining room or the cozy living rooms of the Fontanella.
